

Audlem St. James C.E. Primary School

Let your light shine'

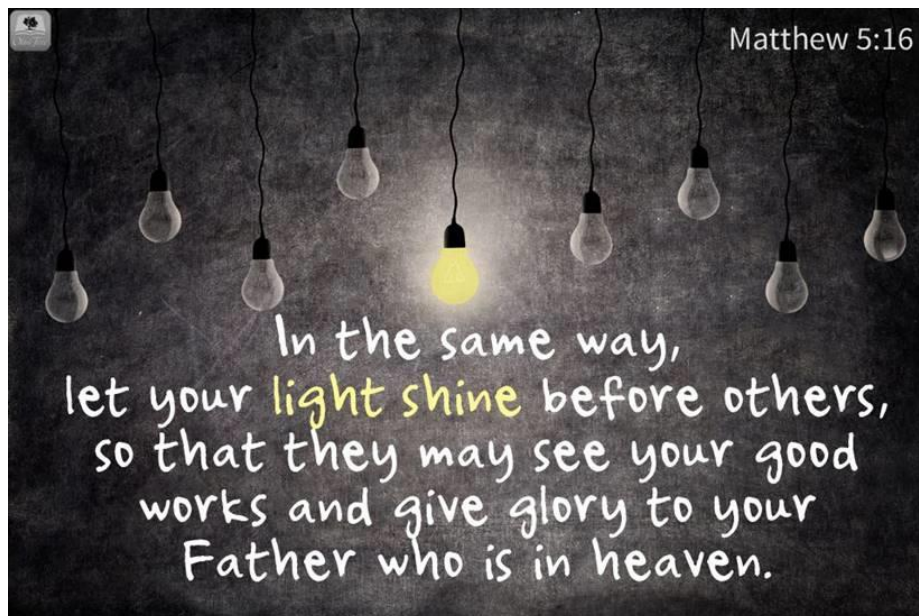

Matthew 5:16

4th September 2020

New Year at Audlem St James CE Primary School

It is lovely to see all the children back at school this week with beaming smiles as they entered the school. I could feel the beating heart of the school is now back as the children flooded the classrooms. I could also feel the school starting to become a place of warmth again as all classes came back. I know times are different and we still have to keep to tight restrictions in school and outside due to COVID 19 but we will endeavour to ensure the school is the same place you left in March. Our school is made of hearts not bricks and I know all teachers have been working hard to ensure the lessons are inspiring so that young minds can soak up all the amazing facts. I would like to say how proud I am of all the children and parents on how we have come back to school over the last few days. I know children have enjoyed being able to say a goodbye to their old class teachers and to have the opportunity to move to their new year group with friends. I know that all teachers, governors and myself are so proud to have you all back and can't wait to help the children flourish again through out the year. We look forward to our new reception class next week as Mrs Maughan and Mrs Burgess have redesigned the classroom to ensure that everyone will be amazed by all the different activities on show. We have put a video on the website to go through what to expect under New Starters.

The quote above is why we all became teachers. I am extremely proud of the team that we have at Audlem St James School as I know they will ensure that all children are able to come back to school and enjoy learning.

Let your light shine'

Matthew 5:16

4th September 2020

My final thought for you all is:

The past cannot be changed. The future is yet in your power.

Year 6 Leavers

All hope that our Year 6 Leavers have had a wonderful time at high school over the last few days and our thoughts are with them and their families. Just a reminder that we are still looking into September for the Year 6 Leavers party and their parents to enable all staff to say goodbye. This will hopefully take place on a Friday after school with the date to be confirmed over the next couple of weeks.

Thought of the Week

We must remember that someone is always with us even if we can't see them. If we reach out they will come to you.

This week's Praise Book children are:

Everyone!
You are all amazing shining stars.

Prayer to Share this week - We pray for all the Families in our local community.

Dear God,

Please keep my family ,friends,
and loved ones safe.

Please watch over them always,
and let good health, happiness,
and your blessings be

upon them. Amen.

Important reminders

I would just like to reiterate how important it is that parents and pupils stick to pick up and drop off times as well as using their allocated gates to access and leave the school grounds. This is to reduce the number of people on site at any one time, reduce social interaction and to protect each bubble as much as possible. It is also important that only one adult drops off and collects and please try and leave the premises as promptly as possible. Can we also remind you that parents are asked to contact the school office by phone or email rather than calling in person. Thank you for your understanding and consideration during these difficult times.
