- › Provide appropriate guidelines for data protection

Roles and responsibilities

1.1 Teachers

Teachers must be available between 9am and 3pm. If they're unable to work for any reason during this time, for example due to sickness or caring for a dependent, they should report this using the normal procedures between 9am and 3pm on the designated absence number. If it affects the completion of any work required ensure that arrangements have been made with year group partners or SLT to ensure work is completed.

Teachers are responsible for:

- › Setting work:
 - Creating a weekly timetable of work for their year group in liaison with year group partners. This must include subjects from across the curriculum. Additional powerpoints and worksheets will not be used.
 - Set differentiated work on My Maths and Times Table Rockstars.
 - Year group weekly timetables to be emailed directly to the Headteacher the Thurs/Fri before the week the work commences. Headteacher to proof read all and ensure consistency, they are then emailed to parents. These are then also forwarded to the Assistant Heads to be uploaded to the website.
 - Working as a year group team to ensure the above work is planned and ready.
 - Online line safety curriculum to be followed. This has been created to support parents during COVID-19 and the closure of schools. Each fortnight, they will be releasing new home activity packs with simple 15 minute activities that can be completed at home to support children's online safety at a time when they will be spending more time online.
- › Providing feedback on work:
 - Pupils can send any completed work to teachers via year group emails

- Teachers can email back feedback if required
- Teachers should respond to any emails from parents/children within 48 hrs
- Teachers are to send any children's work to be displayed on the website through the class pages.

➤ Keeping in touch with pupils and parents:

- Weekly Assemblies - This will be completed by Headteacher.
- Emails received in the year group email from parents and pupils are to be checked between 9am and 3pm, Mon- Fri. Emails must be replied to within 48hrs. Only send replies between these times unless the teacher feels that the child well-being is at risk. Anyone can respond to year group enquiries it does not have to be the actual class teacher.
- Any issues that are received are to be dealt with professionally by the class teacher and the Headteacher should be BCC'd in the communication. If necessary teachers to contact a member of SLT for advice (see emailing tips and strategies in the appendix)
- Teachers are to attempt to make contact with all pupils in their class every 2 weeks via telephone call when in school or from a withheld number. Contact details can be accessed from school, please ensure you log off and do not share information with a third party. Record all contacts with parents and add any relevant actions. Example comment 'Telephoned Mum offered support during home learning and I spoke with child who is getting on well. No concerns. If there is a safeguarding concern alert the safeguarding team.
- Contact should be polite and encouraging. Teachers must adhere to the policy and not give out any personal details. Any concerns should be forwarded to a member of SLT who may choose to contact the parents directly. There is no expectation from school that work must be completed at this time. We believe our parents will be doing their best.

currency symbol)

- Ensuring the hard drive is encrypted - this means if the device is lost or stolen, no one can access the files stored on the hard drive by attaching it to a new device
