- Only 2 people at a time needed to cover the classes at break and dinner time. KS2 rota will have to place themselves between 2 bubbles on the playground so they can watch both Zones. All staff must take out their walkie talkies so if there are any issues to ask for SLT/teacher of the class. You should also use the walkie talkie for First Aid issues and someone will come out to you wearing the appropriate PPE.
- Can those staff in the classroom tidy the room and Office staff will come around and wipe down the tables when you have gone out.
- Can we ensure that we have the classrooms ventilated as much as possible unless the weather is too cold and we should then make a judgement on only opening when needed.
- Please also refer to the risk assessment that has been updated for return to school.
