

Child Friendly Safeguarding Policy

What is Child Protection about?

All the adults around you think that your health, safety and welfare are very important. In our school, we respect all children, and help to protect your rights. We do our best to help children make good educational progress.

How does Audlem St James CE Primary School work to keep you safe?

- Our teachers and LSAs provide a safe environment for you to learn
- Staff at our school know how to keep you and your friends safe: at home as well as school
- It is important for you to know where to get help if you are worried or unhappy about something.
- The staff tell you how to keep yourself, and others, safe.
- Teachers think it is very important for you to recognise risks in different situations.
- Our lessons include: PSHE, healthy eating, e-safety, road safety and assemblies.
- We are a school where everyone has the right to feel SAFE; the right to LEARN without undue distraction or disruption and the right to RESPECT.
- We think it is important for you to know where to get help if you are worried or unhappy about something.

Need to talk?

You can talk to any adult in school if you need to, but Mr Perry, Mrs Richardson and Mrs Bird will ALWAYS be there for you – just tell them what's worrying you. These three adults are Designated Safeguarding Leads.

If you don't think you can speak to an adult in school, leave a note in your class Worry Monster. You can also phone ChildLine who will listen to you and give you help and advice.
