

Sapphire Class Transport Homework- Please choose activities from the grid below and return tasks to school on Thursdays.
These homework tasks are optional.

	<u>Knowing</u>	<u>Understanding</u>	<u>Applying</u>	<u>Analysing</u>	<u>Creating</u>	<u>Evaluating</u>
Verbal and Written I enjoy reading, writing, speaking and listening	<p>List all the types of transport you can think of. You can also find pictures to go with your list.</p> 	<p>Compare the types of transport that are available in Audlem. You could collect bus or barge information.</p> 	<p>Give a talk about a type of transport to the class. Make it 1 minute long.</p>	<p>Use the library to find out about other sorts of transport. Explain to the class what you have learnt.</p> 	<p>Write a newspaper report about the day that the canal barges stopped running because...the cow had fallen in the canal.</p> 	<p>Write 5 ways in which we can improve the topic at the end of our Transport topic.</p>
Mathematical I enjoy working with numbers and sequences	<p>Sort types of transport into land/sea/air transport.</p>	<p>Make a graph to show how long different journeys would take using different types of transport.</p> 	<p>Make a map of your journey to school. Try to use a scale.</p> 	<p>Explain why we need different types of transport, now and in the past.</p>	<p>Create a 'World Records' mini book about land/air/sea speed records by different forms of transport.</p>	<p>Make a set of Top Trump cards for different transport types giving points for different attributes for instance speed.</p>
Visual I enjoy painting, drawing and visualising	<p>Draw/paint a kind of transport. You could even make a 2017 calendar of transport through the ages.</p>	<p>Make a photo book of a journey you take on a train or other bus.</p>	<p>Make a 3D representation of a type of transport from history used to transport goods.</p>	<p>Visualise a trip to a faraway country. How would you get there, what would you need? Draw your essentials!</p>	<p>Create a transport game of your own with resources of your choice.</p> <p>GAME</p>	<p>Make a powrpoint to show four facts about transport.</p>
Kinaesthetic I enjoy doing hands on activities, sports and dance	<p>Visit http://www.ipswichtransportmuseum.co.uk/ and bring photos to share at school.</p>	<p>Make a model or prototype of a new kind of vehicle. You must think of a reason your vehicle is needed.</p>	<p>Build a Lego model with a friend or with family which can move without wheels.</p> 	<p>Make a safety video about crossing the road or being on boats for KS1 children.</p>	<p>Make a board game which is about transport through time.</p> 	<p>Make a model of a driverless 'car of the future' and write a fact sheet about it. Explain how it is better than a car of today with a driver.</p>
