

## **Online Learning for Year 5 – Thursday 27 April and Tuesday 2 May**

### **English**

Use the video link below to create an opening to the story

[https://www.literacysshed.com/uploads/1/2/5/7/12572836/tom\\_trueheart\\_the\\_land\\_of\\_dark\\_stories\\_-\\_book\\_promo\\_uk\\_on\\_vimeo\\_678.mp4](https://www.literacysshed.com/uploads/1/2/5/7/12572836/tom_trueheart_the_land_of_dark_stories_-_book_promo_uk_on_vimeo_678.mp4)

"Tom Trueheart must rescue his six brothers and their Princess brides from the Land of Dark Stories."

A stunning opening scene zooms through the pine needles and falling snow to zoom in on the hero of our story, Tom.

"He has a special sword, He has courage, He has purpose, There is only one problem, he is the size of a thumb."

### **Thursday**

- The children to write the opening of the story, describing the setting before introducing Tom. Think about how you can use adjectives, adverbs to set the scene and create an atmosphere which makes the reader want more.

### **Tuesday**

- Write adventure stories using Tom as the hero.

### **Computing**

#### **Tuesday and Thursday**

- Online Safety poster – Looking at how we can be safe online and what do children need to know. Go through the PowerPoint and then design a safety poster. Use the PowerPoint to help you with what you will need in the poster.

### **Science – Habitats**

#### **Tuesday**

- Use the PowerPoint on Habitats showing different animals in their habitat and what they need. Choose your favourite animal and make your own fact file on what they need and where they live etc.

#### **Thursday**

- Create your own animal – looking at habitat, what it looks like and how it can adapt to its environment that it lives as well as what does it eat.

### **Saving our Seas – PSHCE**

#### **This will be done over Tuesday and Thursday**

- A PLACE FOR PLASTIC – use the ebook as a way of what we should do to save our seas. Write a letter to our Prime Minister explaining the importance of our seas and stating what needs to be done now.

### **Art**

- Create a piece of artwork that shows the village of Audlem. What are the key characteristics that make Audlem such a special place to live. Think about your favourite place.

### **Maths** White Rose – Year 5

- As we have just discussed, the maths for Thursday 27<sup>th</sup> April is likely to be 'Percentages as decimals' on page 54 of their White Rose booklets. The video for this is here: <https://vimeo.com/774759243>
- For the following Tuesday, they will move on to a new unit on 'perimeter and area' (so will need to be in on the Friday to collect their new White Rose booklet...). The lesson will be the first lesson in the booklet: 'Perimeter of rectangles'. The video for this is here: <https://vimeo.com/775478662>
